RE : ZONIT STRUCTURED SOLUTIONS LLC EXEMPTION

To Whom It May Concern:

On March 25, 2020, the Colorado Department of Public Health and Environment declared a state of local disaster emergency, Health Order 20-24. Under that “Stay At Home” order, employees of Zonit Structured Solutions of 1790 30th Street, Suite 140, Boulder, CO, qualifies for exemption from this order under **Section III C – Critical Business**. Specifically, Zonit employees qualify for exemption as follows:

3. Critical Manufacturing

* Telecommunications and Data Centers

12. Vendors that Provide Critical Services or Products:

* Technology support for online and telephone services

Zonit supplies products to over 250+ health care organizations, of whom 91 are hospitals or medical centers for use in their mission-critical IT infrastructure. It also supplies mission-critical IT products to over 70 of the Fortune 100 in all sectors of our economy and many governmental organizations, such as the Veteran’s Administration.

Zonit employees will comply with all guidelines regarding operating within safe distances from others, limited group sizes and any other applicable guidelines.

Should you have any concerns, please contact Bill Pachoud, Chairman of Zonit.

billp@zonit.com or 303-266-0055.

Thank You!
